

## Annex 3

# Passenger Acknowledgement Form

## Yak 52 VH-UHO

In relation to the Adventure flight that I am about to undertake I acknowledge that I am medically fit, have been verbally briefed and understand:

- a. The planned flight manoeuvres to be conducted,
- b. The safety features and equipment fitted to the aircraft; and
- c. Emergency egress procedures.

In accordance with CASA CASR 132.150 I understand:

- The design, manufacture and airworthiness of the aircraft are not required to meet any safety standard recognised by CASA; and
- The aircraft is not required by CASA to be operated to the same safety standards as an aircraft used for regular public transport or charter operations; and
- Travel in the aircraft is done at the passenger's own risk; and
- A more detailed briefing about the safety of the aircraft will be given to the passenger before the passenger boards the aircraft.
